Thank you for choosing Seville Classics! We hope that you enjoy your new sit-to-stand desk. Please read through this user guide for parts list, instructions, frequently asked questions and contact information.
Welcome!

We at Seville Classics® are thrilled that you’ve chosen to go AIRLIFT®! Our desks are some of the easiest to use, most versatile and sophisticated electronic desks on the market. With this, you can stay active throughout the day without sacrificing productivity.

Choosing a height-adjustable desk is not just a convenient upgrade—it’s a healthy one! Too much sedentary behavior can present a real health risk, even for people who are already healthy. Simply getting up throughout the day and moving is a great way to fight the consequences of too much sitting.

AIRLIFT® is here to help.

Please read through this manual for more information regarding your AIRLIFT® Tempered Glass Electric Standing Desk with Dual USB Charger.

Thank you for choosing Seville Classics®! We hope you will enjoy this desk for many years to come.

Safety Instructions

FAILURE TO COMPLY WITH OR OBSERVE ALL ASSEMBLY, SAFETY AND OPERATING INSTRUCTIONS AND WARNINGS REGARDING THE USE OF THIS PRODUCT MAY RESULT IN SERIOUS BODILY INJURY

- Read and understand this manual before attempting to install or operate.
- Assure that everyone who uses this product is informed of the contents of this manual. This is the responsibility of the Purchaser.
- Not intended for use by young children or for those persons who require supervision.
- Do not open any of the components – legs, control box, or controller. There is a risk of electric shock.
- Assemble desk on a flat and level surface.

Use & Liability

Safe use of this product is possible only when the operating instructions are read completely and the instructions contained are strictly observed. Persons who do not have the necessary experience or knowledge of this product must not use the product. Persons with reduced physical or mental abilities should not use this product, unless they are under supervision or they have been thoroughly instructed in the use of the apparatus by a person who is responsible for the safety of these persons. Children should be closely supervised to ensure that they do not play with this product.

Before You Begin

Layout all components and hardware. Visually examine and make sure components are free of damage. If there is visual damage to any component, it must not be installed.

Two people are needed to turn or move the desk and some of it's components. When moving or turning the assembled desk, grab the legs, not the desk top.

Make sure to assemble on a soft and non-abrasive surface to avoid scratches.

Check all connections and cables. Make sure control box is connected to a power outlet.

If the control box makes unusual noises or emits an odor, switch power off immediately.

The desk MUST be INITIALIZED before first use.

Read the INITIALIZATION chapter prior to operation.

Initialization & Use Instructions

**DESK MUST BE INITIALIZED BEFORE YOUR FIRST USE**

---

### Initialize

Press and hold the **UP ARROW** and **DOWN ARROW** simultaneously on the controller until three blinking zeros appear on the display, then release. The desk will descend to its lowest height, then rise to its highest height, and then descend to middle-height.

When the number **38 (+/- 1)** appears on the display, the desk is ready.

It may be necessary to reinitialize the desk from time-to-time due to power outages or simply due to use over time.

If necessary, follow the above instructions to re-initialize.

### Adjust Height

Press and hold the **UP ARROW** to lift.
Press and hold the **DOWN ARROW** button to lower.

### Save Height

Press and hold the **M button + Number button** for 1 to 3 seconds until the displayed number starts blinking.

### Recall Height

Press the desired **Number button** twice, or press and hold to adjust to the height stored at that number.
