Cleaning Instructions

1. Regularly clean and dry the bamboo when using in damp environments to prevent the growth of mildew.
2. Clean with warm water and mild soap, or with a solution of vinegar and water.
3. Wipe away water with a clean towel. Dry in a well-lit and ventilated area.

NOTE: Take care to wash and dry the set regularly for safe long-term use in bathrooms and in kitchens.

DO NOT submerge in water or wash in dishwasher.

Stain Removal Instructions

1. Sprinkle kosher salt across the cutting board. Cut a lemon in half and use it to rub lemon juice into the stains.
2. Sprinkle baking soda over the lemon and salt. Rub in small circles with a clean washcloth for a few minutes.
3. Rinse board. Dry with clean washcloth.

Bamboo Care Instructions

1. After cleaning, lightly rub mineral oil into the bamboo surface. Allow oil to soak into the board overnight.

NOTE: Mineral oil is odorless and tasteless.

DO NOT substitute with olive, vegetable, or other food oils.
